

**Premise - my Essential Nature, as a Human Being, is Love (♥ hold a Newborn ♥). Forgiveness and healing are the removal of anything unlike my Newborn State and the return to the direct experience of Love 24/7/365!**

1. I, ♥, have, through denial, trained my CBM\* to show me the lie that feelings and my giving up the **experience** of my Essence, Love, are caused by **my trigger, #1A** - \_\_\_\_\_ (\_\_\_\_)(who or what **seems** to remove me from experiencing myself AS Love?) **when: #1B - (What Happened?)**

**DEFINITIONS** \*CBM - Carbon Based Memory, source of all hostility/fear, a cumulative multi-generational data bank inherited from my generations.  
\*Replicate Mind - A function of brain cell's replaying corrupt images from generational content - the root of all Why . . . Again?! & disease experiences.  
\*Fear/Hostility - toxic energies that draw us away from our True Nature - always an indicator of sustained incoherence. An infallible indicator of dissociation that point to the corrupt data at the root (in Aramaic "oota") of the repeating patterns of painful images output from my replicate mind.  
\*Dissociation - A result of denial, a hidden, separated, unchangeable (while denied) part of the mind referred to as the "unconscious," "heart," or "desert."  
\*True Aramaic Forgiveness - Shbag - Denial and refusal to be responsible for what happens in our lives leaves us stuck in dissociation/projection and unable to change the replicate mind's content. Shbag, translated as forgive, actually means "to cancel." The tool, in Aramaic, that reconnects us directly with, corrects and integrates dissociated states of mind. A **daily requirement** if one chooses to achieve Love, well-being and longevity!  
\*Rookha d' Koodsha - A feminine, elemental force in humans that breaks off the effect of errors and teaches me truth. A force for that which is proper for humans, the denial of which leaves me in unforgiveness (- NOT unforgivable!) The "SuperProcessor" that can reach through and heal all generations.
