

God's Cake

Sometimes we wonder, "What did I do to deserve this?" or "Why did God have to do this to me?" (As if anything is God's fault) Here is a wonderful explanation! A daughter is telling her Mom how things are going wrong, she's failing algebra, her boyfriend broke up with her and her best friend is moving away.

Meanwhile, her Mother is baking a cake and asks her daughter if she would like a snack, and the daughter says, "Absolutely Mom, I love your cake"

"Here, have some cooking oil," her Mother offers. "Yuck" says her daughter.

"How about a couple raw eggs?" "Gross, Mom!"

"Would you like some flour then? Or baking soda?" "Mom, those are yucky!"

To which the mother replies: "Yes, all those things may taste bad all by themselves. But when they are put together in the right way, they make a wonderfully delicious cake!"

God works the same way. Many times we create all kinds of garbage in our lives and blame God for our bad and difficult times. But when we align with the Creator, all these things are put in good order and lift us higher than we could have imagined! All things work together for good when we are aligned, they always work for good! We just have to trust and, eventually, they will all make something wonderful!

God is sane about you. He sends you flowers every spring and a sunrise every morning and thousands of breaths each day!

Whenever you want to talk, the Creator will listen and though capable of living anywhere in the universe, chose your heart. Are you listening?!

i hope your day is a
"piece of cake!"
