

“Mindshifters” support group

This group is designed to support everyone doing the reality management sheets, or interested in learning more about the process of healing.

I have been asked what the requirements to participate in the support group are. The only request we have is that you come with an open mind and heart and the willingness to be supported and learn.

We take time out of our busy lives to connect, address questions about the healing process, “Mindshifters”, and clarify the forgiveness principles taught in the “WHY!?” workshop. This is done in the space of non judgement and Love!

If you, or someone you know would like to join us in some fun, healing support you are definitely welcome!

We meet the last Wed. of the month (next one 12/28/11) from 7:00-9:00pm. The location is 3426 Lucie St. Lansing.
