

# NEWS RELEASE

*Sandra Kettle, EdD and William Kettle, MSU,  
Certified Teachers in the work of dr. michael ryce,  
present a FREE one day workshop:*

## **WHY IS THIS HAPPENING TO ME . . . AGAIN?!**

This is a no-fee workshop that explains, with profound simplicity, how the mind/ body/ emotion interaction affects physical/ mental/ emotional health. A step-by-step process is presented for creating high level wellness by undoing old patterns that keep people locked into conflict or dis-ease. Almost anyone who has been sick, experienced financial difficulties, or relationship problems, will relate to and benefit from the material presented. A simple, hard-hitting three hours that will assist participants to change their attitudes, thoughts, and feelings.

Topics covered include personal responsibility, how the mind functions, feelings, relationships and the effect of judgments and resentments on health. Effective tools participants easily use in their lives are the basis of the workshop's ongoing success.

*The workshop is free so it is accessible to everyone, regardless of ability to pay.*

This is part of our personal commitment to make the principles of inner healing available to every mind on the planet.

dr. michael ryce has a background in electronics, business, Naturopathic Medicine, philosophy and theology. His book, *Why Is This Happening To Me . . . Again?!*, is an international best seller. dr. ryce is a world renowned lecturer and teacher of the practical application of "self-help" tools. He pioneered work in the fields of self-healing, relationship building, world peace, and the inner process of forgiveness. His work is a powerful blend of spiritual principles and intellectual clarity, guided by the heart! Sandra & William Kettle are certified teachers in the work of dr. ryce and will be presenting this FREE workshop based on his teachings.
